Church Heating. The Diocese has secured a grant of £3,500.00 towards our heating project from the ALLCHURCH TRUST LTD. This is a very welcome contribution for which we express our thanks! As explained last week a number of radiators were damaged by the transport courier and have to be replaced. The company that makes these shuts down for six weeks in the summer and so the damaged radiators will be fixed (although not active) and replaced when the new ones arrive. This means that we will be able to move back into church as planned and before their replacement.

WALK AWAY THE POUNDS:
